Welcome to the Forum of the 1st International Conference of accredited NGOs to the Convention for the Safeguarding of the Intangible Cultural Heritage of UNESCO.

To participate you must click the following link: <http://1aconferenciapci.deliberaweb.com>

The forum will be held by the [deliberaweb.com](http://deliberaweb.com) interactive tool, to achieve the maximum possible consensus on different topics marked through a set of colors with icons (smilies) to show the level of agreement and disagreement of each participant: ( 😊 *Agree* 😐 *Half agree* 😞 *Desagree* 🤔 *N/A* ).

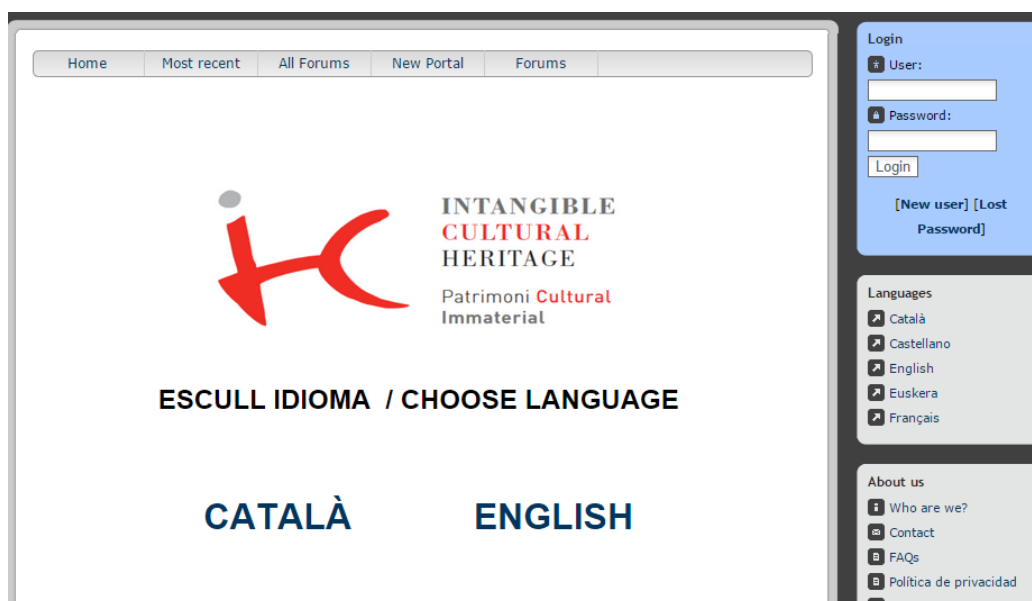

Participants can add comments on their proposals and ideas in the correspondent color, with the aim to justify the position chosen or in order to suggest modifications to the existent text. The comments enrich the content and facilitate the consensus.

This tool is very flexible and transparent, as it allows to visualize the level of agreement and the comments in real time to foster interactivity. Besides, the topics can be put in order based on the level of agreement, which facilitates the development of the following in-person debates.

Below you can find a tutorial with the steps to participate in this process:
